The 2020 Aichi-goals...

... a lot of action plans...

"STEVE, I ADMIRE YOUR DETERMINATION TO MAKE
THIS PLAN WORK."

Ipbis-Report 2019

A

Goal	Aichi Target (abbreviated)	Progress towards elements of each target			
		Poor	Moderate	Good	Unknown
Drivers	1 Awareness		~ ~		
	2 Planning and accounting	✗ ✗	~ ~		
	3 Incentives	✗ ✗			
	4 Production and consumption	✗ ✗			
Pressures	5 Habitat loss	✗ ✗			
	6 Fisheries	✗ ✗			?
	7 Agriculture and forestry	✗ ✗	~		
	8 Pollution	✗ ✗			
	9 Invasive alien species	✗ ✗		✓	?
	10 Coral reefs etc	✗ ✗			
Status	11 Protected and conserved areas		~ ~ ~ ~	✓ ✓	
	12 Extinctions prevented	✗ ✗			
	13 Genetic diversity		~ ~ ~ ~		?
Benefits	14 Ecosystem services	✗			?
	15 Ecosystem restoration				??
	16 Access and benefit sharing		~	✓	
Implementation	17 Strategies and action plans		~ ~	✓	
	18 Indigenous and local knowledge		~		??
	19 Biodiversity science		~		?
	20 Financial resources		~		

*“Most indicators
are declining.”*
Diaz et al

Protected areas need „protectors“

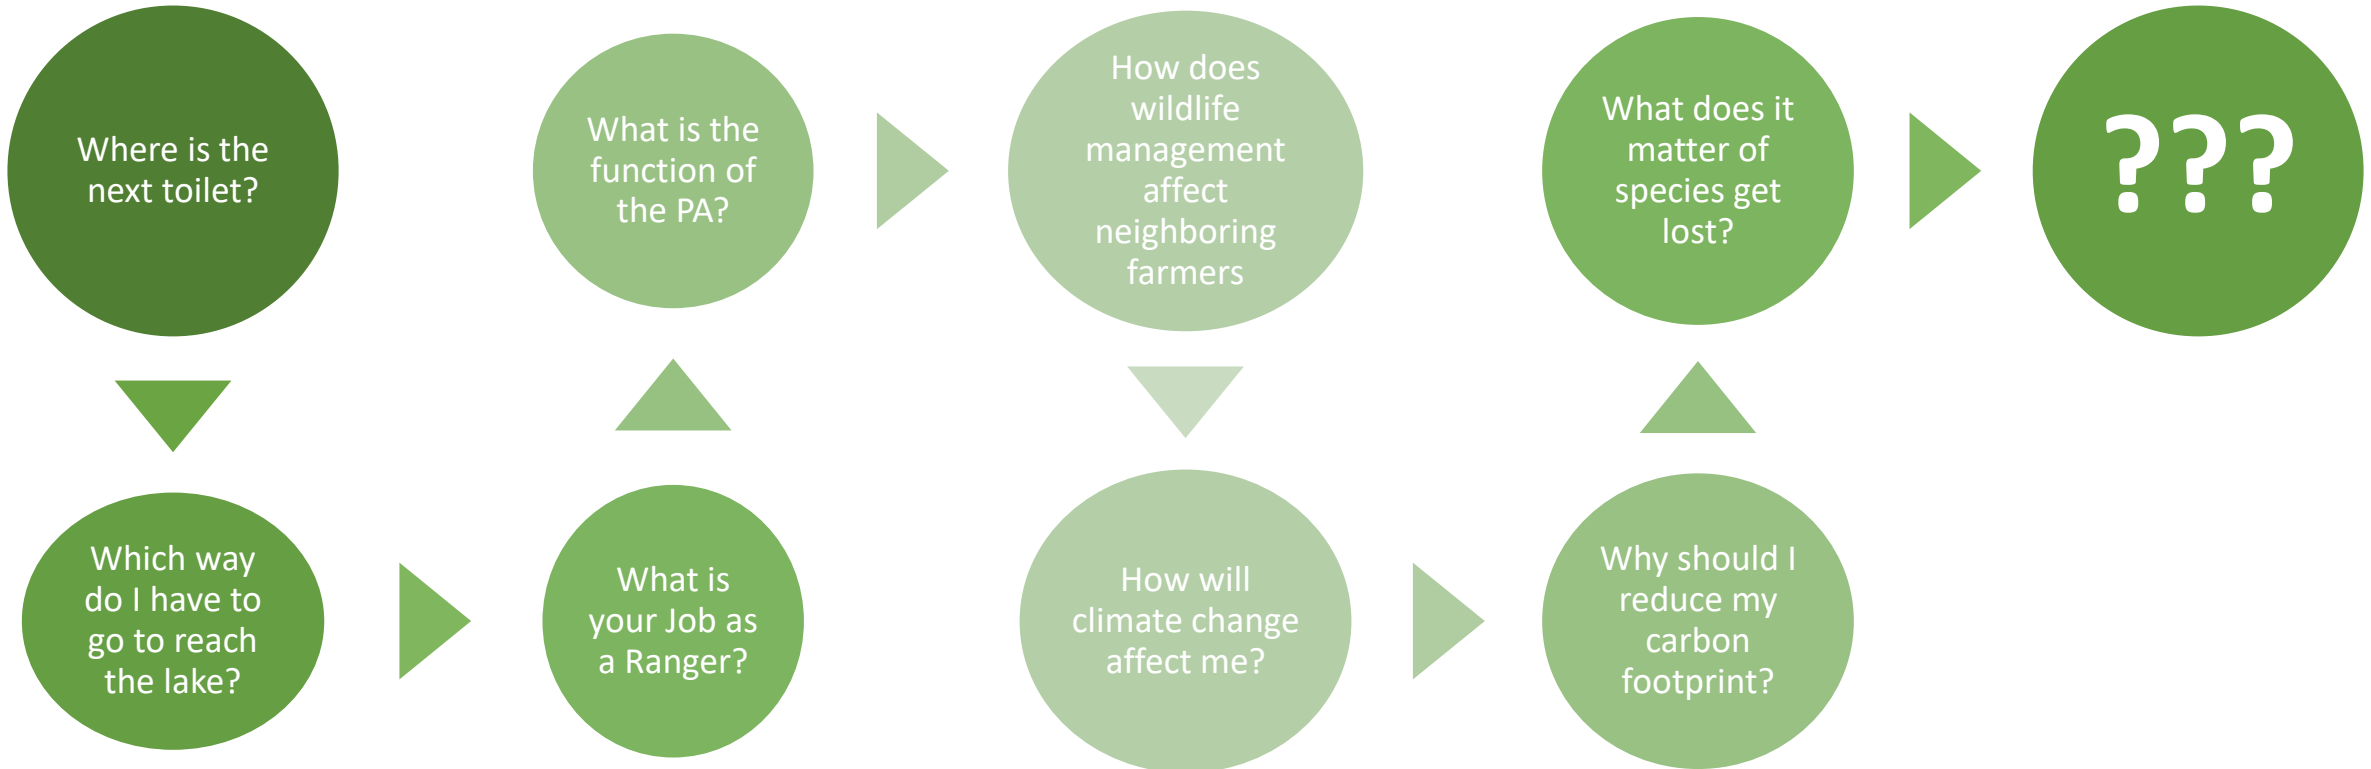

„ The strongest protection on paper doesn't mean anything, if there is no enforcement. This is why Rangers have to be within the protected areas and raise awareness for the guests“

(Federal ministry for nature protection, Germany, © Natur, 2020)

Things a Ranger has to know...

Things a Ranger has to know...

Where is the next toilet?

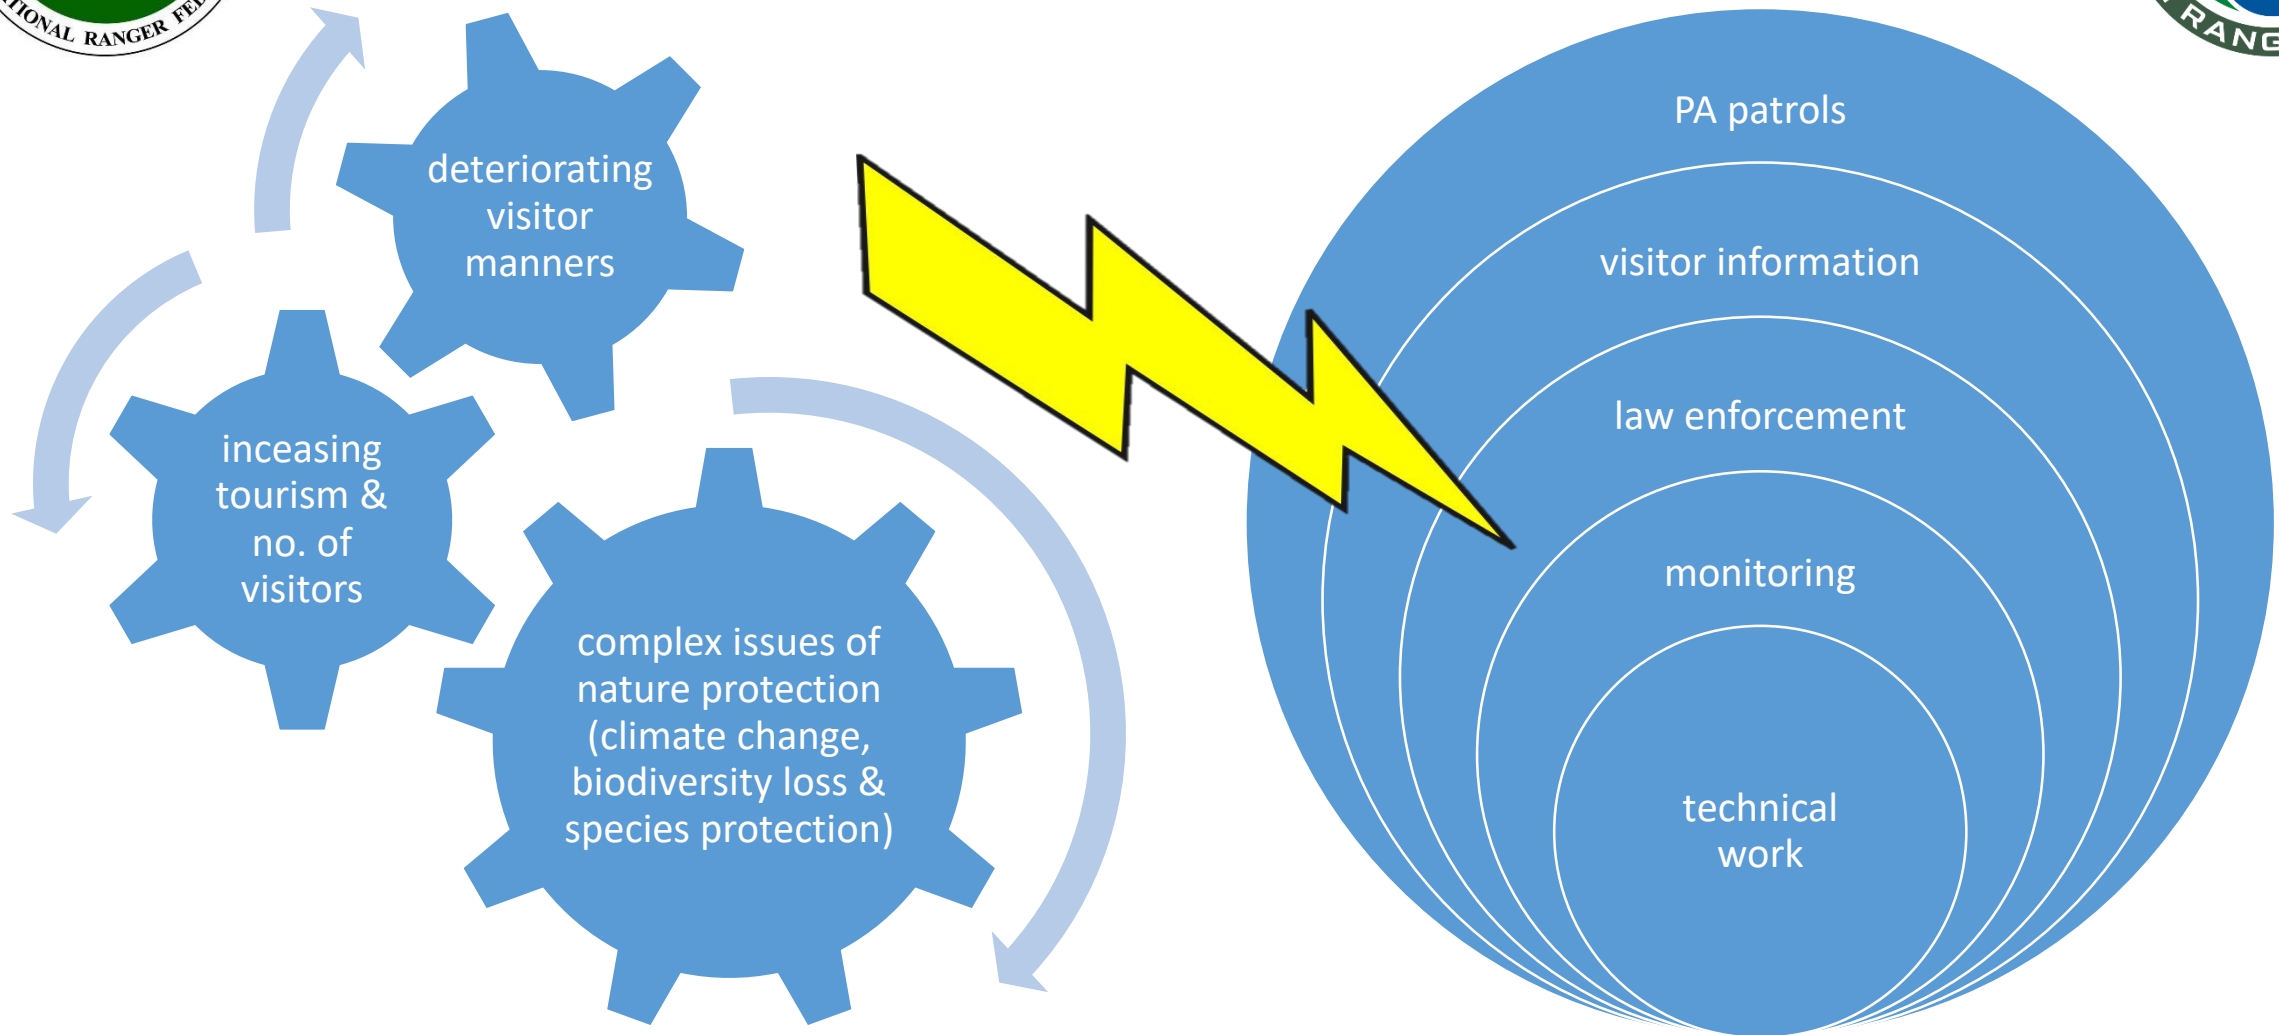

Which way do I have to go to reach the lake?

???

Ranger's duties

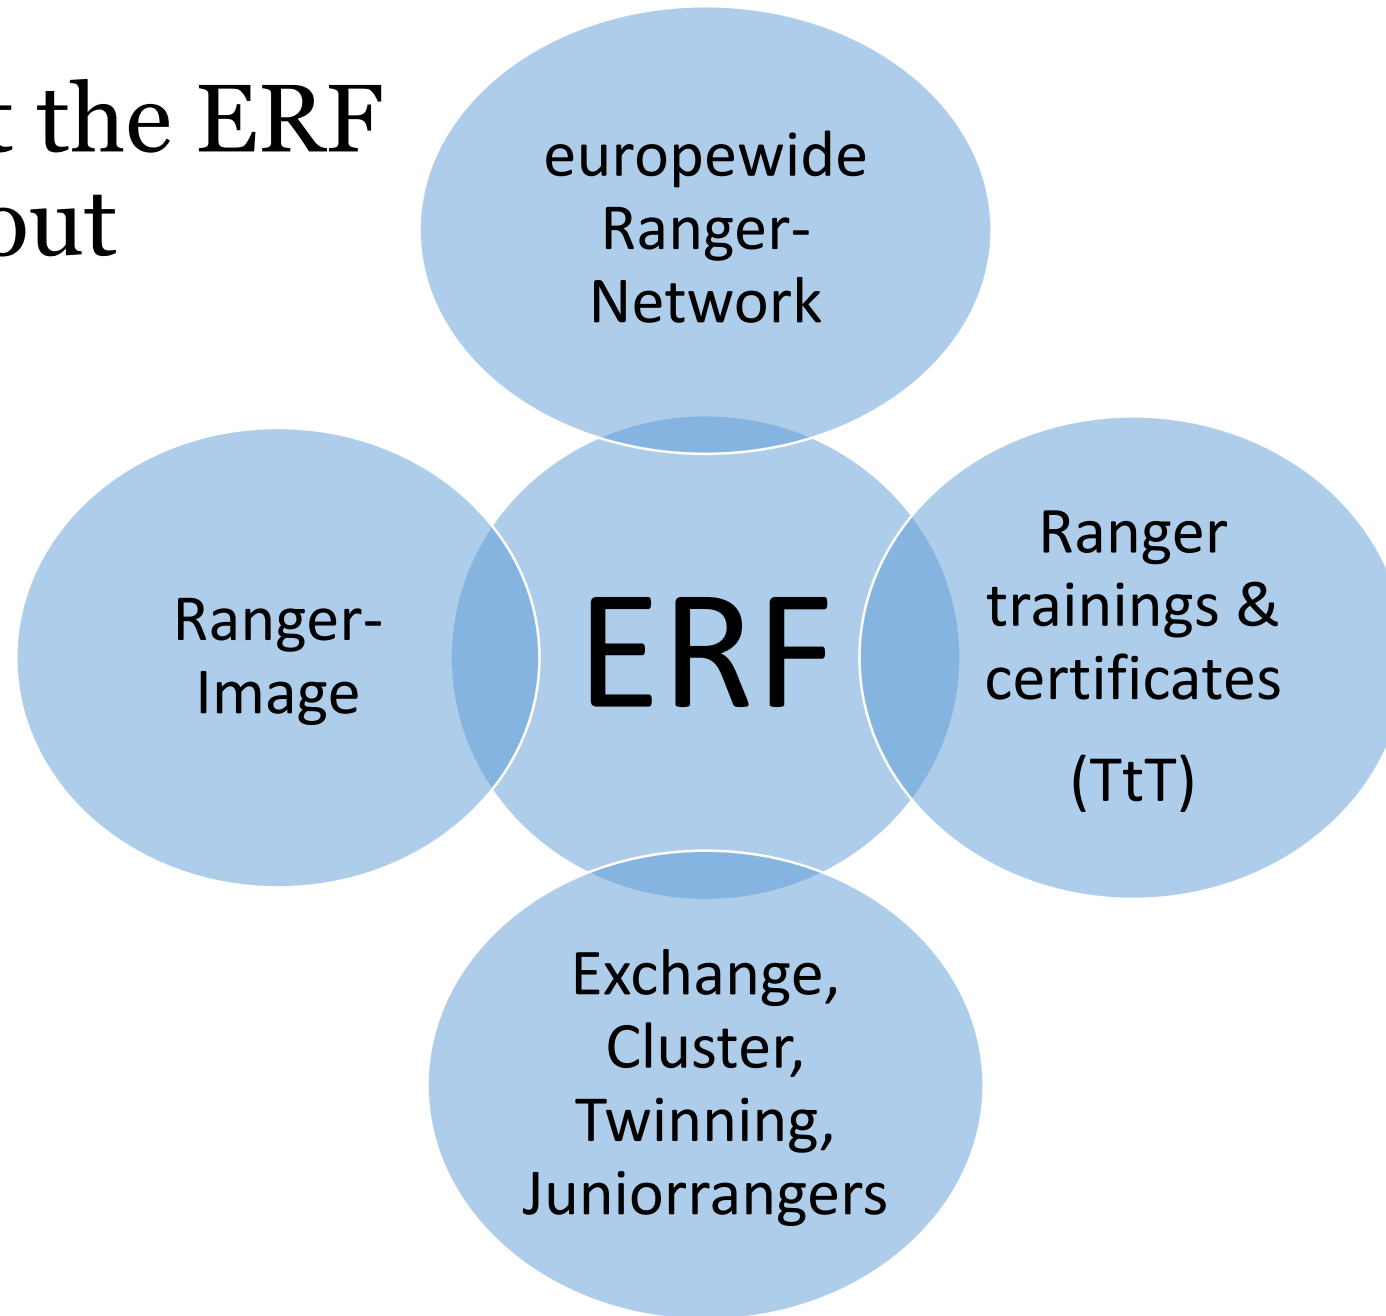

What the ERF is about

The European Ranger Federation

European Ranger Federation

Biodiversity on the edge – development strategies for Rangers in a rapidly changing world

5. European
Congress

11.-16. Mai 2020

European Ranger Federation

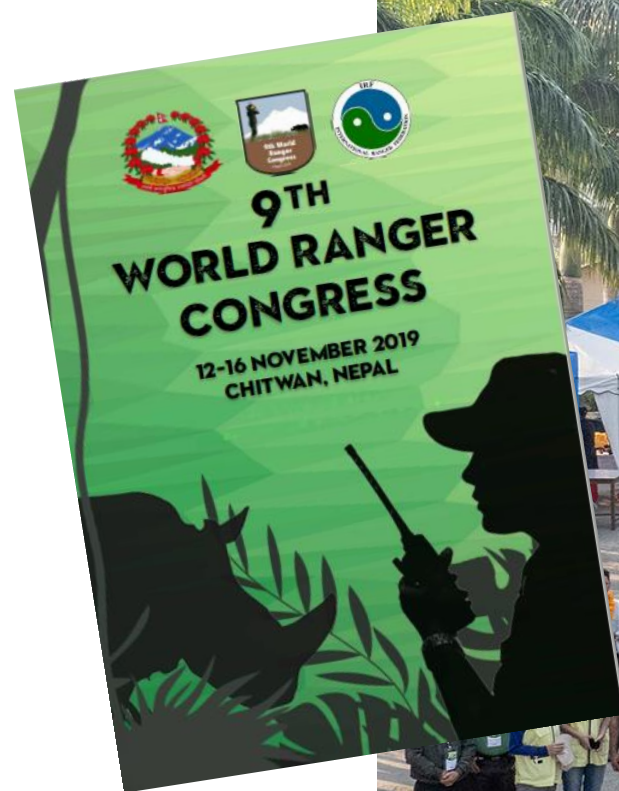

Biodiversity on the edge – development strategies for Rangers in a rapidly changing world

Communication within complex issues of nature conservation:

- Juniorrangers and Volunteers
 - Migrating birds
 - Large Carnivors
- European networking & training
- Ranger shadowing & excursions
- lectures, workshops, forums, etc.

5. European Congress

11.-16. Mai 2020

550 participants from
more than 70 countries

Ranjan Ramchandani
PHOTOGRAPHY

**Twinning – program
“Winning program”**

the Twinning program

- in 2016 Ilan Yeger met some German Rangers on the World Ranger Congress on Colorado
- since 2017 there are delegations visiting the Twinning countries

Existing TWINNING-programs

Twinning-agreements		status
Portugal	Spain	officially declared
Schwizerland	Albania	officially declared
Portugal	Croatia	officially declared
Rumania	Iceland	officially declared
Germany	Israel	officially declared
Check Republic	Germany	officially declared
Check Republic	Slovakia	officially declared
England	Georgia	in planning
England	Ireland	in planning

<https://www.europeanrangers.org/projects/twinning-programs/>

Accomplishments of international exchange

learn english &
communication

methods of Rangering
and nature conservation

cross border focus
expansion

strengthen
common goals in
nature protection

methods of
environmental
education

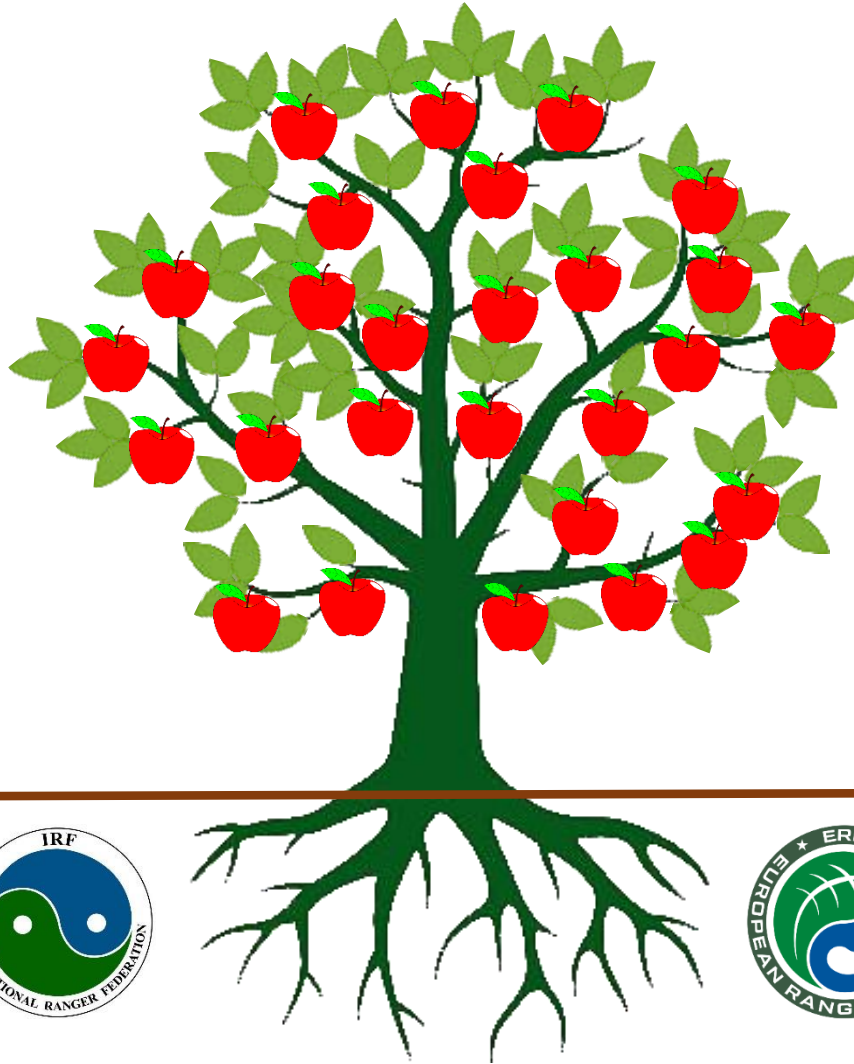

... and more fruits to come...

More coming up soon...

(2021) trainings:

- managing large carnivores
- communication in nature conservation
- young Rangers and migrating birds
- europewide trainings “wolves and livestock protection”

Thank you for your attention
